In re Application of :  
Imran, Bremsteller, Husain, and :  
Ivey : DECISION ACCORDING STATUS  
Application No. 09/903,326 : UNDER 37 CFR 1.47(a)  
Filed: 11 July, 2001 :  
Attorney Docket No. UNIQA-PPA3 :

This is in response to the renewed petition filed under 37 CFR 1.47(a) on 22 July, 2002.

The petition is **GRANTED**.

Petitioners have provided a declaration signed by previously non-signing inventor Glen Edward Ivey. Additionally, petitioners have shown that non-signing inventor John Bremsteller has refused to join in the filing of the above-identified application after having been sent a copy of the application papers. Specifically, the petitioners have established, via the declaration of April Yin that a copy of the above-identified application was sent to Bremsteller's address. Bremsteller, however, has failed to return an executed declaration naming him as a joint inventor along with Imran Sharif, Shabbir Syed Husain and Glen Edward Ivey.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

It is noted that petitioners submitted a (4) month extension of time with the present renewed petition. As the previous petition was dismissed on 3 April, 2002, only a two (2) month extension of time is required for a timely reply. Petitioners may request a

refund of the difference by writing to the Office of Finance, ATTN: Refund Section. A copy of this decision should accompany petitioners' request.

As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the declaration. Notice of the filing of this application will also be published in the Official Gazette.

The application is being forwarded to Technology Center 2100 for examination in due course.

Telephone inquiries related to this decision should be directed to the undersigned at 703-308-6918.
